Funding for research stays abroad for researchers with a PhD

Postdoctoral researchers at the University of Kassel (tenure track professors, junior research group leaders, postdoctoral researchers, habilitation candidates) can apply for financial support for international conference participation, research trips, workshops or stays with mentors abroad.

The funding includes a lump sum for travel and accommodation expenses and, if applicable, the (partial) payment of participation fees based on the DAAD scholarship rates (max. 80% of the possible DAAD funding). The maximum funding limit is € 3,000 per application. A maximum of one stay per calendar year can be funded.

Application deadline: At any time, at least 6 weeks before the planned stay

Additional application documents (<u>Please</u> submit those together with the completed application form in one PDF file via e-mail to eint-funding@uni-kassel.de):
